2020 How to change Student Network/ Computer Passwords

1 Go to <u>https://apps.det.wa.edu.au/dam/student/maintainStudents.do</u> Or the Margaret River SHS website – choose **Staff Links** then **DAM Passwords**

- 2 Sign in if required with your username and password
- 3 Click on **Students** then **Student Accounts** if not there already!
- 4 Type in the student's firstname in the Given Name box or their surname in the Surname box Click on Search
- 5 Select the student to change. Their name will appear in the **User ID(s)** box.
- 6 If they are locked click on **Unlock.**
- 7 Type a new password in the
 Password box then type again in
 the Confirm box .
- 8 Click on **Reset Password**.

Note:

- You can search by class and select all and reset a whole class at a time.
- Passwords must contain at least 6 characters that include an uppercase, lowercase and numeric.
 They cannot repeat any of the last 20 passwords.
