

How to make it so SEQTA does not overwrite your relief lessons:

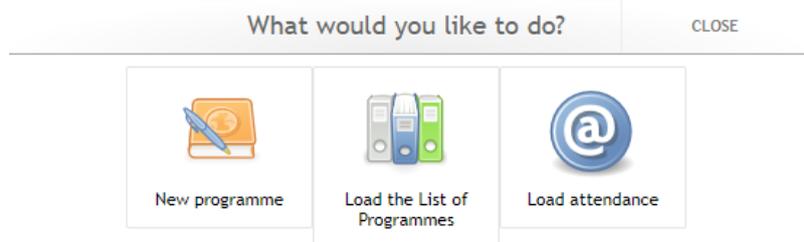

SEQTA only makes room for one lesson per week unless you add extras.

To do this:

- 1 Click on your subject in the timetable area

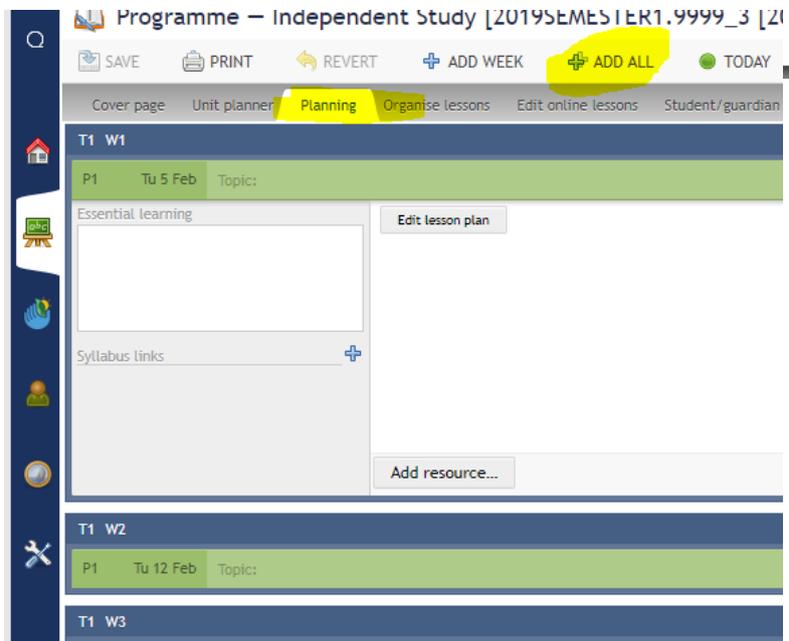

Choose **Load New Programme** if haven't already.

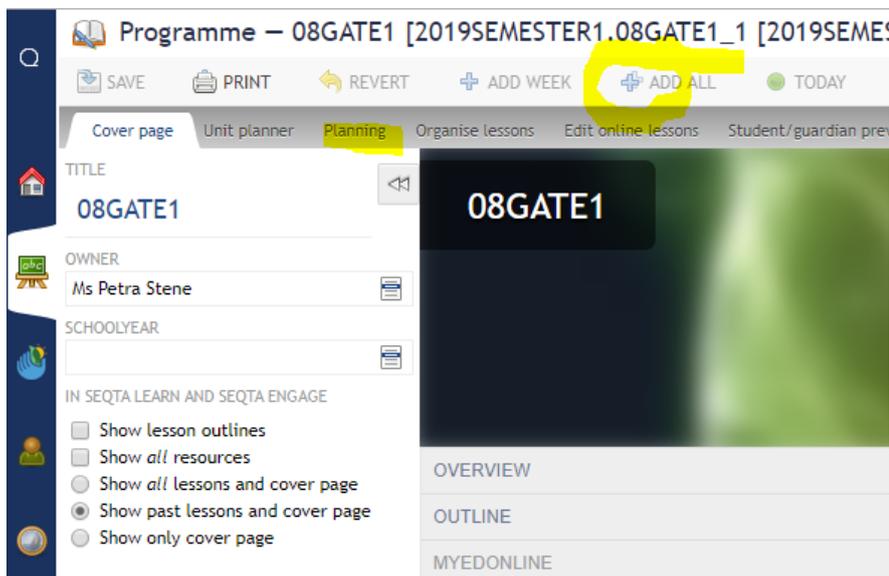

you

This class doesn't have an associated programme. If you like, you can create one now.

- 2 Click on the **Planning** tab

- 3 Click on **ADD ALL**

- 4 You will now have separate lessons for each day.
