SUGGESTED ITEMS:

Some specific items such as Headphones/USB are listed more than once on this list but only one is required. In addition to specific course requirements, students will require general stationery- including exercise books, file or attaché file, pens, pencils, eraser, ruler, whiteout, glue and (1 only) USB. Teachers may request specific additional stationery items throughout the year.

We recommend all students Bring their own computing device

BYOD: Bring your own device" (BYOD) refers to a technology model that allows students to bring their own devices to school for learning in the classroom. At Margaret River SHS we ask students to bring a device to school as a tool for learning. As this device will be in the hands of your child we make a few recommendations to ensure your choice will last and be fit for purpose:

We recommend a pen-enabled laptop (Engagement, Learning and Handwriting)

- A minimum screen size of ≥ 10 inches
- Battery life ≥ 5 hours
- Memory of 128 GB SSD (250GB or higher is better) / 8GB RAM or more
- Keyboard
- A Solid State drive (SSD) is recommended
- Robust, they will possibly use the same device for 3+ years.
- Invest in extended warranty and insurance; accidents happen and repairs cost a lot more and take longer without it

AVAILABLE SOFTWARE:

- Microsoft Office 365 is available for free via student education email accounts for up to 5 home computers, 5 laptops and 5 mobile devices on most operating systems. This includes Word, Excel, PowerPoint, One-Note etc and also includes 100GB of OneDrive Online Storage – which we highly recommend be setup and used to secure work safely.
- Adobe Creative Cloud (Photoshop, Illustrator, Animate etc) is available for a small subscription fee

We have organised a BYOD portal option to buy through if you would like; however, you are not obligated or expected to purchase from this site or choose the items specified. When finalised they will be found here:
