## BOOKLIST – YEAR 9 2022

### SUGGESTED ITEMS:

Some specific items such as Headphones/USB are listed more than once on this list but only one is required.

In addition to specific course requirements, students will require general stationery which is a personal choice- these may include but are not limited to exercise books, file or attaché file, pens, pencils, eraser, ruler, whiteout, and highlighters. Teachers may request specific additional stationery items throughout the year.

### MUSIC STUDENTS

All music students will need to purchase an online yearly subscription to MusicEDU. This digital learning platform is a compulsory part of the Music program, which will replace theory books. The fee is included in the Music course charge, to be paid in 2022 when school resumes.

The MusicEDU Suite is an e-learning resource comprising of 5 programs which include ebooks and all supporting materials. Students will experience a variety of industry-related topics, such as film & soundtrack and game composition, rock and pop repertoire and arrangements. All student accounts will be locked on our website, until the student has paid the school. As the students pay for their subscription, their account will be unlocked, and they will be able to access the resources. To learn more, head to: <https://www.musicedu.com.au/thesuite>.

MRSHS recommend all students Bring their own computing device

**BYOD: Bring your own device" (BYOD) refers to a technology model that allows students to bring their own devices to school for learning in the classroom. At Margaret River SHS we ask students to bring a device to school as a tool for learning. As this device will be in the hands of your child we make a few recommendations to ensure your choice will last and be –fit for purpose: MRSHS recommends a pen-enabled laptop (Engagement, Learning & Handwriting)**

A minimum screen size of ≥ 10 inches

Battery life ≥ 5 hours

Memory of 128 GB SSD (250GB or higher is better) / 8GB RAM or more

Keyboard

A Solid State drive (SSD) is recommended

Robust, they will possibly use the same device for 3+ years.

Invest in extended warranty and insurance; accidents happen- repairs cost a lot more & take longer without it

### AVAILABLE SOFTWARE:

Microsoft Office 365 is available for free via student education email accounts for up to 5 home computers, 5 laptops and 5 mobile devices on most operating systems. This includes Word, Excel, PowerPoint, One-Note etc and also includes 100GB of OneDrive Online Storage – which we highly recommend be setup and used to secure work safely. Adobe Creative Cloud (Photoshop, Illustrator, Animate etc) is available for a small subscription fee

We have organised a BYOD portal option to buy through if you would like; however, you are not obligated or expected to purchase from this site or choose the items specified. When finalised they will be found here:

<https://margaretrivershs.wa.edu.au/enrolments/student-devices/>

More information about ICT at the school can be found here:

<https://margaretrivershs.wa.edu.au/school-programs/learningareas/information-technology/>

Please note:

To guarantee prices quoted and supply of all items, please ensure orders are placed by the due date.

Please retain your receipt as proof of purchase.

Margaret River Office Products Depot
