### SUGGESTED ITEMS:

**Some specific items such as Headphones/USB are listed more than once on this list but only one is required.**

**In addition to specific course requirements, students will require general stationery- including exercise books, fileor attaché file, pens, pencils, eraser, ruler, whiteout, glue and (1 only) USB.**

**Teachers may request specific additional stationery items throughout the year.**

We recommend all students Bring their own computing device

BYOD: Bring your own device" (**BYOD**) involves allowing students to bring their own devices to school to support improving learning outcomes. At Margaret River SHS we ask students to bring a device to school as a tool for learning. As this device will be in the hands of your child we make a few recommendations to ensure your choice will last and be fit for purpose:

*We recommend a pen-enabled laptop (Engagement, Learning and Handwriting)*

- A minimum screen size of ≥ 10 inches
- Battery life ≥ 5 hours
- Memory of 128 GB SSD (250GB or higher is better) / 8GB minimum RAM
- Keyboard
- A Solid State drive (SSD) is recommended
- Robust, they will possibly use the same device for 3+ years.
- Invest in extended warranty and insurance; accidents happen and repairs cost a lot more and take longer without it

### AVAILABLE SOFTWARE:

- Microsoft Office 365 is available for free via student education email accounts for up to 5 home computers, 5 laptops and 5 mobile devices on most operating systems. This includes Word, Excel, PowerPoint, One-Note etc and also includes 100GB of OneDrive Online Storage – which we highly recommend be setup and used to secure work safely.
- Adobe Creative Cloud (Photoshop, Illustrator, Animate etc) is available for a small subscription fee.

More information about ICT at the school can be found here:

Please note: To guarantee the prices quoted and supply of all items, please ensure orders are placed by the due date. Prices in-store may vary. Please retain your receipt as proof of purchase.
