SUGGESTED ITEMS:

Some specific items such as Headphones/USB are listed more than once on this list but only one is required.

In addition to specific course requirements, students will require general stationery- including exercise books, file or attaché file, pens, pencils, eraser, ruler, whiteout, glue and (1 only) USB.

Teachers may request specific additional stationery items throughout the year.

We recommend all students Bring their own computing device

Bring your own device” (BYOD) refers to a technology model that allows students to bring their own devices to school for learning in the classroom. At Margaret River SHS we ask students to bring a device to school as a tool for learning. As this device will be in the hand of your child, we make a few recommendations to ensure your choice will last and be fit for purpose.

Purchasing a device - Minimum Specifications

The following specifications guidelines ensure the device can be supported within the Margaret River SHS network. A Windows or Mac laptop integrates more effectively into our ICT workflow. Devices should comply with the minimum specs listed below:

A screen size of 13” to 14” (note- larger than this may be difficult to carry around)

SSD (Solid State Drive) 256GB or 512GB

16GB RAM

Operating system: Windows 11 or Mac OSX 10.15 or later

Battery life of 5+ hours

Physical keyboard & mouse/touch pad

Robust: they will possibly use the same device for 3+ years.

Invest in extended warranty and insurance, accidents happen, and repairs cost a lot more and take longer without it

We recommend a touchscreen and stylus pen – this allows students to write digital notes, keep up their hand-writing skills and embed learning with active participation.

We do not recommend a Chromebook, iPad or Android tablet.

While these devices will be able to access the internet, they are not compatible with school software, NAPLAN and printing.

BYOD Models for MRSHS

We have partnered with Winthrop Australia in offering a One-to-One program available to students. Please see our buying portal at <https://sales.winaust.com.au/shop/margaretrivershs> to view the different devices, buying/rental options, warranties and details.

You are welcome to source and buy from a vendor of your choice or use one you already own.

Example devices: the following devices are offered in the portal from 25/06/2025 but are liable to change.

Please see the portal for the most current recommended devices:
