

**MARGARET RIVER SENIOR HIGH SCHOOL**

**2024 Charges and  
Contributions**

## CHARGES AND CONTRIBUTIONS POLICY

### THE LEGAL POSITION

The State Government through the Department of Education provides placement at educational facilities for all students who choose to attend Government schools. The Department also pays for the wages of all teaching and non-teaching positions plus costs such as repairs, maintenance and utilities. Government does not provide for many goods and services which students use and it is reasonable for parents to meet these costs.

### WHERE DO CONTRIBUTIONS AND CHARGES GO?

Some examples include eg: ingredients in home economics, transport, photographic equipment and supplies, art materials, timber, metals, consumable tools, external instructors, sporting equipment, text books etc.

### HOW MUCH CAN BE CHARGED?

**Year 7 – 10:** Voluntary Contributions are directly applied to each learning area to support your child's education by enabling the school to purchase extra materials, services and resources that are used daily in the classroom. At \$235.00 per year, this works out to less than \$6 per week or \$58.78 per term.

**Year 7 – 10:** Charges are applied to elective subjects which students and parents have selected for which payment is compulsory. Please note if payment is not received by the due date your child will be placed on a lower course cost option.

**Extra cost optional components** are for excursions, after school activities, competitions, camps etc. We work on a cost recovery basis and keep costs to an absolute minimum, to maintain maximum value for money for our families. Please refer to our Contribution & Charges book for the indicative costs.

**Year 10 parents:** who have not paid charges will be asked to pay an upfront payment of 50% of the cost of Year 11 2024 charges and enter into a payment plan to ensure to students are enrolled in their selected course.

**Year 11 and 12:** Subject charges are applied based on your child's selected subjects for year 11 and 12 and are all compulsory. Again, we work on a cost recovery basis and keep costs to an absolute minimum, to maintain maximum value for money for our families.

- Year 11 parents (2023) who have not paid charges are to enter into a payment plan before the 2024 year commences to cover year 11 and year 12 charges.
- Year 12 parents that have not paid charges by the due date (end of Term 1) are to enter into a payment plan with MRSHS. The balance of year 12 school charges needs to be paid by early November to allow parents to attend school events including the Valedictory Ceremony.

**Certificate Courses:** for school base Certificate Courses a 50% confirmation payment in 2023 is required. with the remaining balance due prior to the school year's commencement. This cost is compulsory once the student commences.

### WHO SHOULD PAY?

Given that all students benefit from the pool of collected contributions and charges, it is fair to expect that all parents should pay the balance of contributions and charges. Parents of students who choose more expensive option subjects need to consider the costs during the subject selection process.

### A COMPASSIONATE VIEW

This school is only too aware that the payment of school contributions and charges can be a burden for some families. Part payments, deferred payments and credit card debits are all available to support parents experiencing difficulties. In some cases of financial hardship, the Principal will consider full or partial waiver of contributions and charges. Please complete the financial hardship form for further assessment. Ignoring accounts and reminders is unhelpful to all parties. The school is also keen to assist parents in selecting options that they can afford. To this end subject charges will always be provided to parents prior to selection of subjects. If parents are having difficulty paying contribution and charges, please contact the Manager Corporate Services, Cristina Oliveira to discuss possible payment options.

## PAYMENT OPTIONS

The school makes provision for the following payment options:

- Direct payment to our account listed below:

BSB Number: 016-520

Account Number: 1083 88617

- Full payment by cheque, cash, EFTPOS or credit card (in person or by phone 97570700).
- Direct Debit. Please make an appointment with the school to get this set up, this is a free service.
- Payments by instalments by the above methods.

## COLLECTING CONTRIBUTIONS AND CHARGES

The school will take a positive approach to collecting contributions from parents of students in Years 7 to 10. In particular, the school will highlight the benefits to students if all parents meet their contributions. With respect to charges for Years 7 to 12, the school will actively seek full payment of charges.

The School Board, in support of this process, has endorsed the following actions:

- Regular accounts sent home to parents.
- Students whose family has a history of non-payment will be refused enrolment in high-cost subjects for any year group.
- Year 10, 11 and 12 high-cost subjects will require a 50% confirmation charge prior to enrolment if the outstanding balance is not fully paid.
- Parents who refuse to communicate with the school and have made no effort to pay charges will be referred to a debt collection agency as permitted in the regulations.
- Sanctions on extra curriculum activities may be imposed at the discretion of the Principal. This could include camps, school socials and sporting activities and participation of other events as stated above.

***Full payment of Charges must be made by  
Thursday 28<sup>th</sup> March 2024***

## VOLUNTARY APPROVED REQUESTS

*The following requests also appear on student Contributions and Charges sheets:*

### SCHOOL CHAPLAINCY — \$5.00 PER STUDENT

The school is privileged to be a part of the Chaplain program. The Chaplain works mainly with students who are experiencing difficulties in their personal life. Their involvement with students and their families has been invaluable on occasions such as bereavements and legal matters, where they can act as a friend and mediator. The Chaplain is also available to support staff and parents at times of crisis.

### MEDICAL CENTRE — \$5.00 PER STUDENT

A Community Nurse, who is registered by the Nurses' Board, staffs the Medical Centre. The nurse promotes the health and wellbeing of the student community, conducts assessments and provides intervention in terms of health information, referral, liaison and support. Health related information, training and resources are also provided to school staff to enable health management strategies including a coordinated approach to addressing first aid and emergency health situations.

The Medical Centre request is used to purchase necessary supplies including band aids, tissues, sanitary pads, bandages, slings, Ventolin, dressing material, hot and cold packs.

### P & C — \$20.00 PER STUDENT

This contribution is our main source of funding and in conjunction with the canteen and uniform shop profits means we do not have to fundraise. This leave the committee's time available to help ensure the right resources are available to the students in the school for a safe value driven educational environment.

Our main philosophy is that funds will be spent on resources which will benefit the most students. If parents do not attend the meetings they will not get a say in where the money will be spent. So we encourage parents to participate by attending meetings to ensure their voice is heard.

### LIBRARY - \$35.00 PER STUDENT

At Margaret River SHS we ask all parents to contribute to keep the library current with new and useful resources. The contribution is used to fund a wide range of resources that could not be provided without your help – they include but are not limited to:

- E-books & Audio Books – Wheelers
- TV4 Education & Curated Youtube
- Library Smartsuite & subscriptions
- Resources in the Library Resource & Support Centre
- Gale Virtual Reference Library

### TECHNOLOGY - \$35.00 PER STUDENT

At Margaret River SHS we ask all parents to contribute to keep the school up to date with technology. The money generated by this charge will directly help your child develop 21<sup>st</sup> Century Skills that will be with them for the rest of their lives. The contribution is used to fund a wide range of infrastructure and resources that could not be provided without your help, they include but not limited to:

- E-books & Audio Books – Wheelers
- TV4 Education & Curated Youtube
- Library SmartSuite
- ETV
- Gale Virtual Reference Library
- Cyber Safety
- Printing allowance for each student
- Online subscriptions to resources
- Resources in the Library Resource & Support Centre

## STUDENT ALLOWANCES—SECONDARY ASSISTANCE SCHEME

In order to access this scheme, parents or legal guardians must hold one of the following cards:

- ◆ Centrelink Family Health Care Card.
- ◆ Centrelink Pensioner Concession Card.
- ◆ Department of Veterans' Affairs Pensioner Concession Card.

a. **Education Program Allowance —subject to eligibility**

An amount of \$235.00 will be paid to the school for eligible parents/guardians of students in Years 7 to 12. This is applied towards the Voluntary Contributions in the first instance, then applied against Charges.

b. **Clothing Allowance Payment**

Claimants who satisfy the eligibility criteria will receive a payment of \$115.00. Parents may nominate the Clothing Allowance be paid directly to the school, to be applied to Voluntary Contributions and Charges.

**Application forms and eligibility requirements available from the front office.**

**Please bring the valid card with you.**

**Please note that the applications close end of Term 1.**

c. **ABSTUDY School Fees Allowance Supplement**

Assistance for secondary school Aboriginal students may be available to supplement the ABSTUDY payments. Parents should contact Centrelink.

### REFUND POLICY

The refund or transfer of charges and voluntary contributions will be completed in accordance with the Department's "Refunds of Charges and Voluntary Contributions in Secondary Schools" documentation.

Payments, including deposits for camps, excursions and incursions will not be refundable where there has been a cost to the school.

The School Board has endorsed refunds to be issued for amounts of \$30.00 and above, amounts below \$30.00 will be credited to the student's account and will be used to offset other costs as directed by parents.
